

Team Meeting

January 30, 2013

meeting minutes Jan 30th

Attendance: Jing, Vlad, Hanna from 4-5; Everyone except Oliver 5-6,

What was discussed:

Went over section 3 of drafted SRS

Agreed to change userID to username

Added password change reminder as LOG - 025 in Section 3.2.1

Added specific error messages that would be displayed when new password doesn't meet all requirements.

Agreed Changes:

"Total Reports per month" should be changed to "Total Requests per month" in generate reports page balsamiq prototype

Put generate audit report in admin section instead of in generate report

References will be hyperlinked and in the "View only" role, there is no button for add new reference

Tasks

Michelle will create balsamiq prototypes for all component lists
